

WHY CHOOSE AN RICS PROFESSIONAL?

If you are in need of clear, impartial expert property advice, an RICS Chartered Surveyor is the answer. The Royal Institution of Chartered Surveyors (RICS) is the leading professional body in land, property, infrastructure and construction and has been raising and enforcing the highest standards of excellence and integrity since 1868.

As a result of the high standards maintained, the RICS qualification or member is seen as the gold standard when it comes to property advice.

The Royal Institution of Chartered Surveyors (RICS) state that their professionals:

“

- *give you clear, impartial and expert advice*
- *act in your interest*
- *are regulated and have to follow strict rules of conduct, including having in place professional indemnity insurance to protect you*
- *have a specific set of rules and best practice guidance designed to help ensure they provide exceptional service*
- *have to regularly update their skills and knowledge throughout their careers (known as CPD), so you can rely on their expertise*

”

Meridian Surveyors are proud to be members of the RICS and uphold their high professional standards.
